The Florida Citrus Hall of Fame is located in the Sara D. and L. Kirk McKay, Jr. Archives Center at Florida Southern College in Lakeland, along with the State of Florida Citrus Archives, Florida Southern College's Center for Florida History, the Frank Lloyd Wright Archives and the Florida United Methodist Conference Archives.

A permanent endowment fund supports five student fellowships to work on future Citrus Hall of Fame projects, to catalog and digitize our collections in the Citrus Archives and to maintain the display and web site in perpetuity, thus providing research access via both the school and through our web site: **www.FloridaCitrusHallofFame.com**

The fellowships are: The Frank S. Bouis Fellowship, the Frank S. Bouis Family Fellowship, the John M. Kennedy Family Fellowship, the D. Victor Knight, Sr. Fellowship and the Florida Citrus Hall of Fame Fellowship. Other outreach efforts include the Florida Citrus Crate Label Tour in various counties throughout the state, oral history videos, books, educational exhibits and speaker presentations on the citrus industry and its heritage.

So far, our collections include citrus crate labels, industry photographs and postcards, oral history presentations, videos, books and magazines, as well as artifacts available for loan to support educational exhibits about the industry. **Your contributions help to further our efforts in preserving our past and making those materials available to educate the general public, as well as the industry, about our citrus heritage.** Should you have family history that you would like to add to our archives, please contact Brenda Eubanks Burnette at (561) 351-4314.

We hope you'll join us in supporting the accomplishments of these industry leaders and our quest to make the importance of the Florida citrus industry known to future generations for many years to come.

Thank you!
